

Orange Ball- 10 & Under Summer 2024

The Orange Ball Program is a designed clinic for players between 8-10 years old. In this program players will be making the transition from the 36' court to the 60' court. Clinics focus on repetition of fundamentals, athletic growth, and the point play. Players can begin playing tournaments. In this program the kids continue to grow fundamentally and play more points by using orange balls, a racquet between 23-25 inches, and play on a 60-foot tennis court.
