

Varsity Club Indoor

The Varsity Club Program is a designed clinic for Columbus players who have goals to be on their high school team and may one day want to play club or small college tennis. Clinics focus on repetition of fundamentals, and continued strategic point play. Players are competing in USTA tournaments throughout the month either locally or traveling to higher level USTA tournaments. Most kids are taking private lessons. In this program, players are more serious about your tennis and play year-round.
